

STAY WRAPPED. STAY PROTECTED.

- 1

CLEAN

Wipe the screen with the alcohol pad, then dry it.
- 2

DUST

Lift every last speck with the dust sticker.
- 3

ALIGN

Line the protector up with the speaker cut-out.
- 4

DROP

Release it from the centre and let it settle.
- 5

SMOOTH

Push any bubbles outward from the middle.

Invisible protection. Made for your device.
